Monique helps clients develop business-focused solutions to concerns involving permitting, regulatory compliance, due diligence, and litigation at local, administrative, state, and federal levels. Where possible, she deploys a variety of creative pre-litigation strategies and tactics to reduce the expense and business disruption that litigation can bring. When proceedings ensue, Monique advocates for clients through all phases of litigation and dispute resolution.

Passionate about the importance of community and pro bono service, Monique invests significant time as a resource to communities throughout Nevada as a volunteer with the Legal Aid Center of Southern Nevada (LACSN), the Las Vegas Chapter of the National Bar Association (LVNBA), and other Nevada local and national organizations.

Monique began her legal career as a law clerk for Judge Adriana Escobar of the Eighth Judicial District Court. Before joining Holland & Hart, she practiced at an AmLaw 200 firm focusing on complex commercial litigation and regulatory compliance.
