zglaframboise@hollandhart.com

Zach is a patent attorney within the firm's Boulder office. He focuses on drafting and prosecuting patent applications chiefly within the electronics and computer-related arts.

Zach operates as part of a large team of patent attorneys, agents, and engineers assisting sophisticated clients with managing and protecting their patent portfolios, including across the wireless communications industry. Zach also has experience prosecuting patent applications within the software industry.

Prior to joining Holland & Hart, Zach worked in the intellectual property groups of Baker Botts and Baker Hostetler.
