jptarbutton@hollandhart.com

JP counsels emerging growth companies at all stages of the corporate life cycle in entity formation, venture capital financings, mergers and acquisitions, and other business transactions.

JP's clients include venture capital firms, emerging growth technology startups, and large companies. JP has extensive experience representing strategic investors in private company financings.

Before joining Holland & Hart, JP was an associate at Orrick, Herrington and Sutcliffe LLP in their Technology Companies Group in Silicon Valley.
