Whether the claims involve cosmetics, food, supplements, or other consumer products, Brent aggressively defends clients from inception through trial. He handles lawsuits filed in the federal and state courts in California, Utah, and throughout the United States. Brent regularly counsels clients on advertising, labeling, and ecommerce compliance under FDA, USDA, CPSC, TTB and FTC regulations as well as California's consumer protection statutes. Brent is a nationally recognized speaker on food and supplement law, as well as digital advertising and ecommerce.

Brent has tried numerous cases before juries, judges, and arbitrators. His deep experience enables him to begin crafting his corporate client's defense at the outset so that the discovery process is tightly focused on the issues that are the lawsuit's core. This approach saves time and money.
