Companies frequently call upon him to guide them to favorable resolutions when embroiled in disputes. Scott's clients include a variety of resource companies, banking and finance companies, defendants in product liability suits, and individual landowners of commercial and industrial properties.

Scott represents clients in business, environmental, oil and gas, personal injury, product liability, and employment litigation. He also advises pipeline clients on environmental regulatory and condemnation matters and has handled major oil and gas litigation, numerous commercial contract disputes, and a variety of employment and other litigation matters. Scott helps clients understand the benefits to efficiently resolve disputes and avoid litigation, but when litigation is necessary he leads them through the process and achieves great results.
