BAR ADMISSIONS

Colorado

Alex counsels clients ranging from startups to Fortune 500 companies on privacy and data security matters and regulatory compliance, including on U.S. and international privacy and data security law compliance, critical infrastructure protection, service provider and vendor due diligence, and oversight. He also advises companies on data breach response strategies and related investigations.

In addition, Alex drafts and negotiates contracts, guiding clients through a variety of intellectual property, technology, and commercial agreements including SaaS agreements, M&A contracts, and technology licensing agreements.

Alex holds a CIPP/US and CIP/T certification from the International Association of Privacy Professionals.

Before joining Holland & Hart, Alex practiced at a Denver law firm.
