Sydney guides companies through a variety of environmental operational areas, including permitting, compliance, and enforcement actions. Sydney also assists clients with environmental and natural resource litigation matters, including air and water quality issues, and conducts environmental due diligence on conventional and renewable energy projects.

Prior to joining Holland & Hart, Sydney worked for several years as an associate at a boutique litigation firm in Salt Lake City. After law school, Sydney served as a law clerk to then Judge Diana Hagen of the Utah Court of Appeals.
