**Julie provides clients valuable support through all phases of the litigation process and internal and external investigations.**

Julie has experience helping clients navigate complex commercial litigation, government investigations, and employment matters and assess regulatory compliance-related risk. She has assisted organizations across a variety of jurisdictions and industries, including in the pharmaceutical, technology, retail, and natural resources spaces.

Before joining Holland & Hart, Julie was a litigation associate at Gibson, Dunn & Crutcher and served as a consultant at a records management software and consulting company. Julie served as law clerk to Judge Allison H. Eid then of the Colorado Supreme Court.
