**Eric counsels clients on a range of corporate transactions with an emphasis on emerging and established companies and capital market transactions.**

Eric develops creative solutions to meet client objectives, positioning them for ongoing success. He leverages his expertise in corporate transactions to guide both public and private companies across a range of industries, including technology and life sciences, through the many stages of venture capital financings, equity and debt offerings, and corporate governance, among others.

Prior to joining Holland & Hart, Eric was an associate attorney at Wilson Sonsini in California.
