**As a CPA, Max uses his background in financial accounting and business to provide tailored legal solutions to complex estate planning and wealth management matters.**

Max assists high net worth individuals and families with effective and efficient tax planning solutions. He is committed to guiding clients through the intricacies of estate planning, ensuring their assets are safeguarded and their wishes are honored.

Before joining Holland & Hart, Max worked closely with business owners to support and implement a handful of diverse business initiatives. During law school, he served as a judicial intern for the United States Tax Court.
