Hannah assists high net worth clients with creative solutions to negotiate and litigate complex family law issues.

Hannah advises high net worth individuals, families, and family offices on the full range of issues involved when a marriage begins and ends, including pre-marital and co-habitation agreements; and dissolution petitions, allocation of parental responsibilities, post-decree disputes, guardianships, and protection orders. She approaches each client with compassion and crafts solutions designed to stabilize their financial future and well-being.

Hannah is a skilled courtroom advocate. When disputes cannot be resolved through negotiation and mediation, she leverages trial and motions experience gained through four years as a Deputy District Attorney.

Before joining Holland & Hart, Hannah practiced at Sherman & Howard.
